

## **Occupational Therapist (OT)**

### **Full-Time/Part-Time**

If you are an Occupational Therapist looking to provide occupational therapy to clients, following physicians orders and in coordination with other team members serving the Denver Metro area, then we encourage you to contact us and complete an application. We would love to welcome you to our awesome team of professionals! The vision of Complete Home Health Care is to create a 5-star customer experience through a culture of excellence with teamwork that delivers home health services with compassion, empowerment, trust and integrity. We are focused on creating this culture of excellence for our patients, our staff, and our communities. We offer a flexible schedule, strong office support team, central location and many other benefits. Compensation is competitive and depends on experience.

This is the perfect time to join the growing home care industry to:

- Coordinate client care with Case Managing RN, team members and Clinical Supervisor
- Evaluate client occupational therapy needs and develops a plan of care and goals appropriate to the findings, per physician's orders
- Participate in in-services, meetings, and case conferences as requested
- Instruct client and family in OT program and community resources as necessary
- Revise and update occupational therapy plan of care and goals as appropriate, with physician approval
- Inform physician, Case Managing RN and Clinical Supervisor of changes in the client's condition
- Complete and submit all appropriate clinical documentation per agency policy
- Promote customer satisfaction for all clients, employees and visitors to the agency
- Follow the agency's Code of Ethics and Clients Rights
- Approach tasks with a positive and flexible attitude and practice team behaviors
- Perform other duties as assigned by the Clinical Supervisor or Branch Manager
- Maintain continuing education as required by state licensure standards and provide documentation of same
- Comply with all policies, procedures and regulations set by the Federal and State governments, the agency, and other regulatory agencies, i.e. OSHA, Worker's Compensation, State licensure and labor laws

Job Requirements:

- Knowledge of federal, state, and local regulations and agency policies and procedures

- Competent in the provision of occupational therapy including evaluation and assessment
- Knowledge of community resources
- Current CPR training/card and professional liability insurance
- Graduate of an accredited school of occupational therapy and current certification by the National Board for Certification in Occupational Therapy
