

Registered Nurse (RN)

Full-Time /Part-Time

If you are an RN with strong clinical skills and you are interested in joining a team of professionals serving the Denver Metro area, then we encourage you to contact us and complete an application. The vision of Complete Home Health Care is to create a 5-star customer experience through a culture of excellence with teamwork that delivers home health services with compassion, empowerment, trust and integrity. We are focused on creating this culture of excellence for our patients, our staff and our communities. We offer a strong office support team and many other benefits. Compensation is competitive and depends on experience.

This is the perfect time to join the growing home care industry to:

- Coordinate client care with team members and Clinical Supervisor
- Evaluate client nursing needs and develop a plan of care and goals appropriate to the findings, per physician's orders
- Instruct client and family in the plan of care, refer to community resources as necessary
- Revise and update nursing plan of care and goals as appropriate, with physician approval
- Inform physician and Clinical Supervisor of changes in the client's condition
- Complete and submit all appropriate clinical documentation timely per agency policy
- Maintain strict confidentiality of information relating to clients, employees, and the agency
- Promote customer satisfaction for all clients, employees and visitors to the agency
- Approach tasks with a positive and flexible attitude and practices team behaviors
